Re: Arch Insurance Co. v. Agoglia, et al., No. 08-Civ-5252 (GEL)

Dear Judge Lynch:

We represent Arch Insurance Company in connection with the above-referenced action. This letter corrects and supersedes a similar letter of today's date, which we ask the Court to ignore. On June 4, 2008, one of the defendants in the action, Eric Lipoff, removed this action from the New York Supreme Court, New York County, to this Court. Mr. Lipoff's notice of removal included only a copy of the first amended complaint and amended summons filed in the New York Supreme Court. Local Rule 81.1(b) provides that, "[u]nless otherwise ordered by the court, within twenty (20) days after filing the notice of removal, the removing party shall file with the clerk a copy of all records and proceedings in the state court." The specified time period has elapsed and Mr. Lipoff has not supplemented the record in this action with the full record of proceedings in the state court.

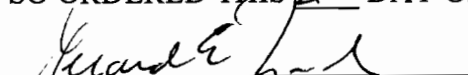

Arch has obtained certified copies of the records and proceedings before the state court. Arch accordingly seeks leave to supplement the record of this case with the full record of proceedings before the state court.

Respectfully submitted,

John H. Eickemeyer
